1. Delivered letter from [REDACTED] to Joseph J. Lawler, Assistant Postmaster General, regarding the comic entitled "Donovan of Central Intelligence".
2. First Loyalty Board meeting re case #14.
3. Spoke with Mr. Arens of the staff of the Immigration Subcommittee of the Senate Judiciary Committee. He has requested information from us regarding 5,000 refugees in the Venezia-Giulia area and 4,000 Shanghai refugees. (See memo to the Director this date).
4. Mr. Arens has made available to this Agency stenographic transcript of two hearings with the request that they be closely held and that the information contained therein not be made available to the FBI. A negative and two positives have been made of these hearings, and handed to the Director for his dissemination.
5. The DP legislation as passed by the House contained

(Over)

a provision to admit 15,000 refugees from behind the Iron Curtain. This provision has been eliminated from the Senate version on allegations that CIA considered it a security risk. We will indicate to the Senate Subcommittee that we now consider the security risk minimized and can utilize this provision, thus giving the Subcommittee certain trading material for purposes of compromise.
